# ART

Here is a link to Ms. Gavican's Art Studio that we use in school. You will find lots of videos and art resources in the studio.

Here are two art ideas that you can try at home this week. The idea is to use items that you would normally recycle at home. The two I have chosen for this 'upcycling' are toilet roll inserts and egg cartons. I look forward to seeing your creations and great ideas.

### **Toilet Roll Craft**

Create something from toilet roll inserts.

You can stick to our theme of *animals* or you can use your own ideas to create something. It could be your favourite character from a movie/cartoon or a little building for fairies or Lego people. Here are a few pictures to help.

Here is a link to a video with 33 great ideas.

# **Egg Carton Craft**

Create something from an empty egg carton or egg box.

You can put several sections together (like the faces) or make little creations.

Here are some pictures to help.

Here is a link to a video on how to make the faces:
