## Recipe

### Optional Task

Link – Procedural Writing

### Recipe: Vegetable Soup

**Preparation time:** 15 minutes

**Cooking time:** 15 minutes

**Serves:** 4 people

### **Ingredients**

- 2 medium carrots
- 2 sticks of celery
- 3 cloves garlic
- 1 medium leek
- 1 medium onion
- 50g butter
- 300g butternut squash
- 1 sweet potato
- 120ml chicken **or** vegetable stock cube

**(Adult help and supervision is needed for this recipe)**

### **Method**

1. Chop all the vegetables and garlic.
2. Melt the butter in a large saucepan and then add in the vegetables.
3. Sauté gently for 4-5 minutes until some of the smaller vegetables are beginning to soften.
4. Next add in approximately two thirds of the chicken or vegetable stock and bring the mixture to a slow boil and then reduce the heat and simmer for an additional 15-20 minutes or until all of the vegetables have softened down completely.
5. Using a hand blender, blitz the soup until it is nice and smooth. Return to the heat and bring back to a very gentle boil.
6. If you would like a thinner soup, now would be the best time to add some additional stock to thin it down.
7. Transfer it to your serving bowls or cups.
8. Enjoy!
